## MEDICAL INQUIRY FORM IN RESPONSE TO AN ACCOMMODATION REQUEST

(To be completed by medical provider)

| Patient Name:  |                                       | _   |  |
|--|---------------------------------------|---|--|
| Medical Provider Name:   |                                       |   |  |
| A. Questions to help determine whether an employee has   | a disabi                              | lity.   |  |
| For a reasonable accommodation under the ADA, an employee has that substantially limits one or more major life activities or a record of may help determine whether an employee has a disability:  |                                       | •   |  |
| Does the employee have a physical or mental impairment?  |                                       | Yes □   | No □   |
| ➤ If <i>yes</i> , what is the impairment?  |                                       |   |  |
| ➤ Is the impairment long-term?   | Yes                                   |   | No □   |
| ➤ Is the impairment permanent?   | Yes                                   |   | No □   |
| If not permanent, how long is the impairment likely to last?   |                                       |   |  |
| How often are follow-up visits recommended for reassessment?   |                                       |   |  |
| Answer the following question based on limitations the employee hand what limitations the employee would have if no mitigating meathings such as medication, medical supplies, equipment, hearing technology, reasonable accommodations or auxiliary aids or service neurological modifications, psychotherapy, behavioral therapy, and include ordinary eyeglasses or contact lenses.                               | asures we<br>g aids, m<br>ces, prosth | re used. Mitigating obility devices, the netics, learned beha | measures include<br>use of assistive<br>vioral or adaptive |
| Does the impairment substantially limit a major life activity?   |                                       |   |  |
| Note: Does not need to significantly or severely restrict to meet this start may be useful in appropriate cases to consider the condition under the individual performs the major life activity; the manner in which the individual performs the major life activity; and/or the duration of time it the individual to perform the major life activity, or for which the individual perform the major life activity. | which<br>takes                        | Yes □   | No □   |

| ➢ If yes, what major I   | fe activity(s) (includes major bodily functions) is/are affected?   |  |  |
|--|---|--|--|
| <ul> <li>□ Bending</li> <li>□ Breathing</li> <li>□ Caring for Self</li> <li>□ Concentrating</li> <li>□ Eating</li> </ul>   | <ul> <li>☐ Hearing</li> <li>☐ Interacting with Others</li> <li>☐ Reading</li> <li>☐ Standing</li> <li>☐ Learning</li> <li>☐ Seeing</li> <li>☐ Thinking</li> <li>☐ Walking</li> <li>☐ Performing Manual Tasks</li> <li>☐ Sleeping</li> <li>☐ Working</li> </ul>  |  |  |
| Major bodily function  | ns affected:  |  |  |
| <ul><li>□ Bladder</li><li>□ Bowel</li><li>□ Brain</li><li>□ Cardiovascular</li><li>□ Circulatory</li></ul>   | □ Digestive       □ Lymphatic       □ Reproductive         □ Endocrine       □ Musculoskeletal       □ Respiratory         □ Genitourinary       □ Neurological       □ Special Sense Organs & Skin         □ Hemic       □ Normal Cell Growth       □ Other: (describe)         □ Immune       □ Operation of an Organ |  |  |
| R Questions to be  | In determine whether an accommodation is needed   |  |  |
| B. Questions to help determine whether an accommodation is needed.  An employee with a disability is entitled to an accommodation only when the accommodation is needed because of the disability. The following questions may help determine whether the requested accommodation is needed because of the disability: |   |  |  |
| What are the limitation  | u(s) that interfere with employee's ability to perform job duties?  |  |  |
|  |   |  |  |
| limitation(s)?   | employee having trouble performing or accessing because of the impairment and/or  |  |  |
| How does the employ  | ee's limitation(s) interfere with his/her ability to perform the job duties(s)?   |  |  |

| C. Questions to help determine effective accommodation options.  If an employee needs an accommodation because of a disability, the employer must provide a reasonable accommodation, unless the accommodation poses an undue hardship. The following questions may help determine effective accommodations:  Do you have any suggestions regarding possible accommodations to assist with performance of job duties?  Yes  |   |
|---|---|
| accommodation, unless the accommodation poses an undue hardship. The following questions may help determine effective accommodations:  Do you have any suggestions regarding possible accommodations to assist with performance of job duties? Yes No   | C. Questions to help determine effective accommodation options.   |

|   | requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. |
